

Warren Prescott K-8 School  
School Site Council Meeting  
February 2018  
Meeting Minutes

Representatives from BPS attended the meeting to provide information about Raising Awareness on Social Media. Representatives talked through a presentation that will be made available to the Warren Prescott. A handout was distributed that provided information about social media awareness to meeting participants.

Mrs. Davis shared the process for investigating incidents of sexting at the Warren Prescott. The process is required by BPS and is called a Confidential Log. She reported that 7 or 8 incidents have occurred at the school during this school year. When an incident is reported a Confidential Log is started. This triggers:

- Contact with the alleged perpetrator
- Contact with the alleged victim
- Contact with School Police → Boston Police
- A DCF 51A report
- Contact with the Superintendent & Equity Office

Mrs. Davis stressed that this process is very serious and its taken very seriously in order to ensure that safety of all students.
