summer required reading assignment

Rising 7th and 8th Graders

Warren-Prescott K-8 Mrs. Stansfield

The summer slide: it sounds fun, but it can make the transition really difficult. Warren-Prescott students can start strong in the fall if their reading habits don't slide away during the summer, or if their reading habits are currently weak, this is the perfect way to build them up. The more students read, the stronger their skills are in all subject areas.

Students should use the Reading Bingo Card to vary the books they read. The goal would be to read 4-5 books to reach bingo. You can read more if you choose!

→ You will choose 1(ONE) book to complete a report on.

Don't forget that summer should still be fun! Summer reading is the opportunity for students to relax and enjoy themselves. If you get to pick your books, you will be more likely to spend more time reading, not because you have to, but because you want to.

Look at the book idea lists for help in choosing books. Readers should pick books that appeal to them, not books that frustrate them. If you have to check the dictionary every 5 minutes, how can you get lost in a book?
